their community to make disciples*

# Outreach Project Grant Program

*The mission of the New Covenant Presbytery Outreach Committee is to passionately engage and support local and global mission efforts in order to be God's redemption to a hurting world.*

The Outreach Committee has jurisdiction to allocate funds located in our Presbytery that have been designated for Outreach Project Grants. Congregations and mission partner organizations in New Covenant Presbytery may request a grant from the Outreach Project Fund, by completing this application.

All requests must be approved by the session of congregation requesting the funds and signed by the Clerk of Session signifying their approval prior to submission (if the request is being made by a mission partner organization the request must be approved by the appropriate governing board).

Submit completed applications to Forbes Baker either by "snail mail" to the Presbytery office or by email to [fbaker@pbyofnewcovenant.org](mailto:fbaker@pbyofnewcovenant.org). At their monthly meeting, the Outreach Committee will review and take action on project grant applications in the order they were received. After submitting a grant request, applicants should expect to wait 60-90 days to receive notice of approval and disbursement of funds (in the form of a check from the Presbytery office payable to the applying church/organization).
