

Committee on Ministry Policy on Laboring In/Out of Bounds

The Committee on Ministry does not require permission for one-time events in the Presbytery of New Covenant. Ministers who are invited to participate in ministerial functions outside the bounds of the Presbytery of New Covenant would be free to do so, provided

- the function is a one-time event,
- the function does not violate the Book of Order, and
- the minister inquires of the presbytery's Stated Clerk in which the event is scheduled if it is required to seek permission to labor within their bounds.
