

This year the 2024–2025 PW/Horizons Bible study is *Let Justice Roll Down: God's Call to Care for Neighbors and All Creation* by Patricia K. Tull.

According to Scripture, the earth and its members belong to God. We are called to care for creation not only because God loves it, but also because a healthy creation supports human well-being. We are called to care for neighbors and creation with all our hearts, with particular care for society's least powerful members who are disproportionately impacted by unjust systems. This PW/Horizons Bible study is an invitation to explore and to act, with all our hearts, in responding to an issue that impacts all life on God's earth. Readers will learn about ecological systems, the challenges we face in this time of accelerated climate change, and the possibilities available to address or counter the impact of human-made stress on our environment. Further, readers will explore theological questions that point us to act and engage, in large and small ways.
